#### IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles An Astoria Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kid-13c; ney Pills. It cures all ills which are

cures. Theodore Josephson, 515 Seventh street. Astoria, Oregon, "About five years ago I used Doan's Kidney Pills and derived great benefit. I was suffering from severe pains across my back and my loins and at times was unable to stoop or straighten. My kidneys also bothered me a great deal, as the secretions were generally too free in passing. At last Doan's Kidney Pills were brought to my attention and I procured a box at Rogers' drug store. I began using them and my health is now excellent. I take a few doses now and then, when feeling any sign of backache and they never fail to banish the trouble."

#### WATCHMAN ASSAULTED.

NEW YORK, March 30.-In the Norwegian hospital, with slight chances of recovery is Dominick Bugren, a Brooklyn watchman, who was found and taken to the institution after having lain from midnight until morning in the bottom of a sewer trench where he had been thrown followng an attack by two masked men who beat him and cast him unconscious into the excavation. Burgren's skull was fractured and his right arm broken, and he was badly cut on the head, neck and shoulders. When he was found he was covered with two bags of cement on top of which bricks had been thrown. As he lost consciousness in the hospital he told the surgeons that his assailants has demanded money and enraged at their failure to find more than some small change on his person, they had beaten him and had pushed him into the sewer. That is the last he remembered until he was restored to consciousness in the hospital. He was found by his son who had been searching for him in the Tallow-Prime, 5c; No. 2 and vicinity after the father's falure to return at the usual hour in the morn-
